

Alexander Lavrov

Junior Frontend/React developer

📍 Moscow 📞 +7 (919) 723-22-76 ✉ a.lavrov88@gmail.com 📁 Portfolio 🌐 Github in LinkedIn

Summary

I am a beginner frontend developer. My interest is to create web applications with optimal logic combined with the best UI solutions. I have skills gained in pet projects with React.JS, native JS and its basic infrastructure's tools.

Skills

- HTML, CSS (SCSS/SASS)
- JavaScript (ES6+), TypeScript
- Adaptive Development
- React.JS (hooks, react-router)
- Redux (thunk)
- UI frameworks: Bootstrap, Ant Design
- AJAX (REST API, JSON, Axios)
- Tools: Git/GitHub, NPM6, Figma

Development experience

PET PROJECTS / LEARNING PROJECTS

2020 – Present

- **Rides history.** Catalog of my group of friend's bicycle rides. Stack: React
[Link. GitHub.](#)
